

8TH NATIONAL CONFERENCE

OCTOBER 6-8 2010 BURSWOOD ENTERTAINMENT COMPLEX, PERTH, WESTERN AUSTRALIA

INVITATION

On behalf of the Conference Organising Committee, we are delighted to invite you to attend the Australian Health Promoting Schools Association 8th National Conference in Perth, Western Australia. The theme for the conference is Connected Schools, Connected Communities. We aim to connect over 200 delegates with a number of international, national and local keynote speakers who are highly respected world experts in school health promotion. During programmed breaks you will be able to connect with peak health organisations that support schools, implement programs and develop resources.

We hope you see this event as a unique professional development opportunity to connect to world leaders in health promoting schools, further your understanding of the Health Promoting Schools Framework and thus create environments that support students, staff and whole school communities to achieve better outcomes in health and education.

We look forward to connecting with you at the conference.

Danielle Maloney, President, Australian Health Promoting Schools Association

Megan Sauzier, President, Western Australian Health Promoting Schools Association Inc.

From the garden to the kitchen: Students from East Maddington Primary School, actively learning in their school kitchen garden

HOW TO REGISTER

Register online via the website at <http://www.wahpsa.org.au/AHPSAregistration2010/>

Please note this event is recognised for professional learning. A certificate of attendance can be provided on request after the event. AHPSA and WAHPSA are committed to sustainability and acknowledge that for an event of this size, whilst the economic and social impacts are positive, there are also environmental impacts. With this in mind, we aim to reduce the environmental impacts of the event where possible. In helping us to achieve this aim, if possible, we request you register and pay online and do not print the registration form.

VENUE

Burswood Entertainment Complex is considered Perth's ultimate entertainment experience. Situated on the banks of the Swan River in 100 hectares of parklands, it is only 15 minutes from the airport and a short distance to the CBD. The Burswood boasts two hotels, a golf course, day spa, tennis, cycling, state-of-the-art convention facilities, live entertainment venues and a range of restaurants.
